"Filled with timeless truths and told so "beautifully with images that burn deep into your being, Hesse's novel speaks powerfully to every generation of spiritual seekers. . . . A fresh translation of "Siddhartha "that offers greater authenticity than any other translation--while still preserving the unique beauty of the original prose."-- "Branches of Light"

Branches of Light " From the Inside Flap

In the novel, "Siddhartha, a young man, leaves his family for a contemplative life, then, restless, discards it for one of the flesh. He conceives a son, but bored and sickened by lust and greed, moves on again. Near despair, Siddhartha comes to a river where he hears a unique sound. This sound signals the true beginning of his life -- the beginning of suffering, rejection, peace, and, finally, wisdom. About the Author
