## Y La Verdad OS Hara Libres David Icke

David Icke exposes the real story behind global events which shape the future of human existence and the world we leave our children. Fearlessly, he lifts the veil on an astonishing web of interconnected manipulation to reveal that the same few people, secret societies and organisations control the daily direction of our lives.

### About the Author

Formerly best known as a TV sports commentator and leading spokesman for the British Green Party, David Icke is a world renowned philosopher, social visionary and tireless campaigner for truth. He credits a widely publicised spiritual transformation with giving him the courage to speak out fearlessly against lies and deceit. These days, he travels extensively, offering public talks and discussions about the belief systems and clandestine interests that shape our world. He is the author of several acclaimed titles, including "Heal The World", "The Robots' Rebellion" and "Truth Vibrations".
