"This is *Butch Cassidy and the Sundance Kid* on autoload. Winslow's stripped-down prose is a revelation" (Stephen King)

"Rejoice - Don is back on the drugs ... Winslow has few equals" (*Independent*)

"Winslow on rip-roaring form, his most stylish, pacy and blood-soaked novel yet ... A brilliantly clever game of cat and mouse ... Vibrant, stylish and captivating ... A true thriller" (Henry Sutton *Mirror*)

"*Savages* is a wild ride...The language is limber and lean, the pace adrenalin-fuelled and the killers downright terrifying ... Will linger with you long after the final page" (*Time Out*)

"A frighteningly convincing depiction of big-time drug cartels at work" (John Harvey) Présentation de l'éditeur

Ils sont trois, Ben, Chon et Ophelia – dite O. Un trio à la Jules et Jim qui produit et commercialise de l'hydro, un cannabis cultivé hors sol, sans matières organiques, et qui s'éclate gentiment – sexe, volley-ball, bière et dope – à Laguna Beach, Californie du Sud. Un beau matin, la reine du Cartel de Baja décide d'éliminer cette concurrence qui fait tache dans son empire. Le trio refuse avec panache l'offre de rachat et la belle vie californienne tourne au cauchemar quand O. est kidnappée... Après ça, le roman devient vraiment méchant. Oliver Stone en a tiré un film avec Blake Lively, Aaron Johnson, Taylor Kitsch, Salma Hayek, Benicio Del Toro, John Travolta...*Voilà le roman noir le plus frappadingue et le plus halluciné du moment ! Si vous aimez les films de David Lynch ou de Quentin Tarantino, Savages est pour vous.* Yann Plougastel, Le Monde magazine. Quatrième de couverture

**'A spellbinding tour-de-force that is utterly impossible to put down. *Savages* is, bar none, the best novel I have read in years' - Christopher Reich, author of *Rules of Deception***

Part-time environmentalist and philanthropist Ben and his ex-mercenary buddy Chon run a Laguna Beach-based marijuana operation, reaping significant profits from their loyal clientele. In the past when their turf was challenged, Chon took care of eliminating the threat. But now they may have come up against something that they can't handle-the Mexican Baja Cartel wants in, sending them the message that a "no" is unacceptable. When they refuse to back down, the cartel escalates its threat, kidnapping Ophelia, the boys' playmate and confidante. O's abduction sets off a dizzying array of ingenious negotiations and gripping plot twists that will captivate readers eager to learn the costs of freedom and the price of one amazing high.

*Savages* is an ingenious combination of adrenaline-fuelled suspense and true-crime reportage by a master thriller writer at the very top of his game.

**'*Savages* is Don Winslow's best book yet - a wickedly funny and smart novel, with a ripped-from-the-headlines story that gets your pulse racing as the action unfolds. Razor-sharp plot twists, a cast of ruthless antiheroes, and of course, Winslow's superb, adrenaline-fuelled prose make this scorching, drug-infused thriller an addictive and entertaining read.'** Janet Evanovich

**'*Savages* is Winslow on rip-roaring form, his most stylish, pacy and blood-soaked novel yet...A brilliantly clever game of cat and mouse... more vibrant, stylish and captivating than just about anything that comes from our dark, damp shores. A true thriller.'** *Mirror*
